INSPECTION PROPERTY	FINDING

This document reflects our findings at the time and place of inspection, which was conducted by means of comparing reference product(s) and documents against samples that are randomly-picked in accordance with an agreed random statistical sampling standard from the lot(s) of finished products presented to our inspectors. This comparison was done in accordance with agreed inspection protocol and/or other agreement.

If certain methods and processes which vary or deviate from the standard and/or recommended practices of Bureau Veritas Consumer Product Services were adopted for the performance of this inspection at the request of the client, Bureau Veritas Consumer Product Services is not liable for the possible compromise of the recorded observations due to such variations or deviations.

This report/certificate does not discharge or release sellers/suppliers from their commercial, legal or contractual obligations with regard to quality/quantity of delivery nor does it prejudice the buyer's right of claim toward sellers/suppliers for compensation for any defects (apparent or otherwise) not detected during our random inspection or occurring thereafter.

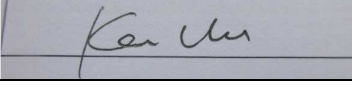

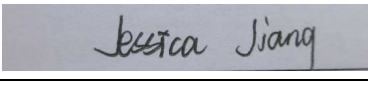

Bureau Veritas does not accept any liability for the quality of products in this shipment that were not produced at the time of the inspection taking place. Further, this report/certificate does not evidence shipment.

Our services, including reports and certificates, are subject to the Bureau Veritas Consumer Products General Conditions of Service of which have been sent to your company. They can be resent upon written request.
